FOUNDATIONS

Elise Hughes

mshughesroom.weebly.com

The class website will be your go-to spot for homework, important announcements, extra help resources, printable papers, and much more!

We will be piloting Core Focus. There is an online version of the textbook that can be accessed through the class website.

Grading & Retake Policy

Students grade will be calculated based on their understanding of the common core state standards. This will be assessed using in class activities, assignments, quizzes and unit tests.

20% Classwork & Homework

80% Quizzes and Test

Because learning is an ongoing process, students will have opportunities to retake any quizzes they feel need improving. In order to retake they will need to complete a retake form and show progress towards mastering that standard. There will be only one retake given for unit test.

**KEEP CALM
AND
DO YOUR HOMEWORK**

Homework Policy

- Homework will be posted on the class website and should be logged in students planner daily.
- Homework should be completed in their spiral.
- If students have questions on the homework or anything in class extra help is ALWAYS available!
JUST ASK!!!

Interactive Notebooks

This year we will be using Interactive Notebooks (INB) to take notes. Students will be using them on a daily basis to stay organized and process the information we learn in class. Students can use a composition notebook or spiral for their INB. But will need an additional spiral for homework.

Foundations Course Guide

I have read and understand
the course guide.
